

Security

One of the first times you access your accounts, we'll ask you to choose and answer three **Personal Verification Questions**.

During future online sessions, we'll ask you some of these questions if we feel there is a possibility that someone other than you is attempting to access your information.

Please choose answers that you will remember. Incorrectly answering questions can lead to your account access being disabled.

Security Reminders

- We will NEVER email you for personal information. Any email claiming to be the bank which requests personal data such as Social Security numbers, IDs, or passwords should not be trusted or opened
- Do not write down your password
- Use a different password for online banking than ones you use for other applications
- Always log out of your online banking session before leaving your computer
